Sir,

Subject - contribution of Rs 50 by the Birur Town Municipal Council to aid the construction of a primary school building at Birur

I have the honor to state that the residents of Kelusankre cattle in Birur Town presented petition to the Birur Town Municipal Council, requesting for a grant of Rs 100 from the municipality for the construction of a primary school building at the place. The Municipal Council considered the subject at their meeting held on 17-4-42 and they have resolved that a sum of Rs 50 be paid, the expenditure being met out of the savings anticipated in the provision made for "Law Charges" in the sanctioned budget of the municipality.

2) It is reported that the question of opening a primary school at the place has been recommended to Government for sanction. As the building has been half constructed out of the public donations of Rs 100/- and as the rainy season has set in, I have instructed the President to pay the promised amount immediately.

3) In the circumstances, I request that approval of Government may be kindly obtained for my action in having directed the Municipal President to pay the contribution, in anticipation of sanction.
